Re: Public Records Request 19-030

Dear Mr. Musgrave:

Please consider this letter and accompanying .pdf of chronologically arranged emails as this Office's response to your February 19, 2019 public records request. You requested "any and all emails to and from former District Attorney Gerry Leone between January 1, 2012 until his departure from [this Office]," containing the keywords "Dookhan" and/or "Hinton." We appreciate your patience throughout this process and are able to provide you with 978 pages of records containing the requested keywords and within the requested timeframe.

Please note that certain records have been redacted or withheld. Specifically, wholly duplicative email chains have been withheld in favor of providing only the most inclusive version of each email chain. Emails that do not contain the requested keywords and that do not concern matters connected to responsive emails, have also been redacted.

Certain responsive records also remain exempt from public disclosure pursuant to exemption (a) (statutory) and exemption (c) (medical information and personal privacy) of the Public Records Law. G.L. c.4, § 7(26).

Specifically, the information you request includes Criminal Offender Record Information (CORI), which is statutorily exempt pursuant to G.L. c. 6, §§ 167-168. In addition, the records requested include medical information and personal identifying information including the names or identities of accused parties or defendants, voluntary witness names, personal addresses, phone numbers, and dates of birth, the disclosure of which may constitute an unwarranted invasion of personal privacy. Such records have been redacted under exemption (c).

See G.L. c. 66, § 10A(a) and § 10A(c). An appeal to the state Supervisor of Records must be made in writing within 90 days of this response. See 950 Code of Massachusetts Regulations 32.08(1)(d) and (1)(f). In your appeal, you should include copies of all correspondence with this Office related to your request. See 950 C.M.R. 32.08(1)(g). The regulations of the Secretary require that you transmit a copy of your written appeal to this Office. 950 C.M.R. 32.08
